I ascertained from Roger Jones, Assistant Director of the Bureau of the Budget, that agencies replying to the letter from Chairman Dawson, of the House Committee on Government Operations, regarding  personnel would be required to clear their replies with the Department of Justice. It was determined that this matter was being handled personally by Mr. Stanley Barnes, Assistant Attorney General in charge of the Anti-Trust Division, upon whom I called this afternoon. Judge Barnes reviewed our proposed reply and stated that he would have no objection to its being sent. He requested that we send him a copy when same had been dispatched. 25X1A
